

Kousa Creek

5-6 BR ★ 5.5 Bath ★ 5,044 sq ft

Kousa Creek is a casual yet elegant home that features an appealing combination of exterior finishes including stone, lap siding and cedar style shakes. Raised seam roofing is a beautiful accent to the dormer windows and a dramatic two-story front porch offers a sheltered welcome for your guests' arrival with a covered seating area on the second level. Entertaining is easy with the open first floor plan that incorporates the kitchen, dining area and great room and offers a seamless transition into an additional outdoor living space featuring a screened porch and fireplace. At just over 5,000 square feet, Kousa Creek offers up to six bedrooms and four and a half bathrooms; plenty of room to accommodate friends and family.
